ABOUT US

We excel in the field of industrial pharmaceuticals. Which includes material handling equipment, storage containers, tanks, lockers, cabinets, cross-over bench, conveyor belts, and many other pharma amenities.

We also have our hands-on manufacturing Commercial Kitchen Equipment such as Bain Marie counter stations, burner, Exhaust hood, commercial oven, Deep fat fryer, Griller, Chinese cooking range, Sink, Storage rack, Food Counters, Serving & dining tables, etc.

Our Services are extended in making sterile hospital products like Stainless Steel drug trolleys, Stretcher, Surgical instrument trolleys, Hospital cabinets, I.V stand, hospital beds, and many more.

Our Mission

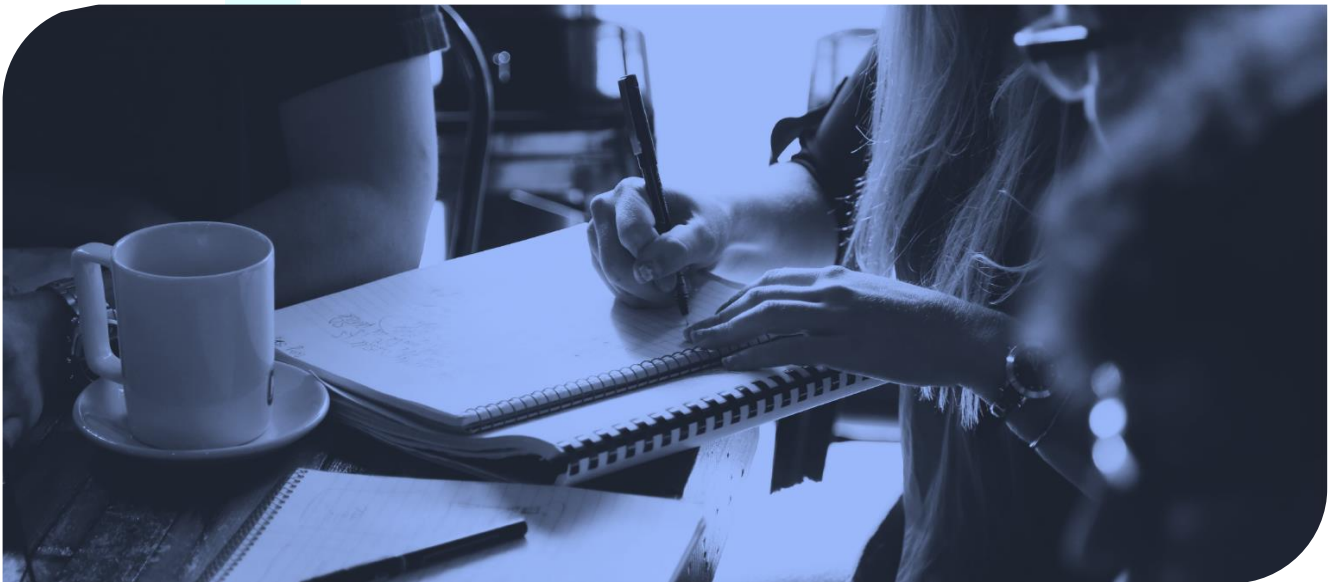

Our Mission is to increase our client's confidence by amplifying their strategic relevance & operational responsiveness by providing the best quality in our products.

From assessment to design till implementation, we identify and fulfill your requirements.

We serve our clients as their trusted advisors & develop long-term relationships.

Quality Assurance

We give prime importance to the quality of the equipment offered by us. This procedure aids us in adopting any changes and modifications offered by our clients on priority basis.

If a flaw is discovered during the manufacturing process, the part is promptly removed from the line. The following are some of the parameters that we check:

- Dimensional Accuracy
- Power Consumption
- Operational Efficiency
- Corrosion Resistance
- Durability

Why Us ?

Our strengths have enabled to achieve us our mission of providing:

- ✓ Innovative products
- ✓ Customization
- ✓ Timely delivery
- ✓ Industry-leading price
- ✓ Effective customer support
- ✓ Continuous quality improvement
- ✓ Ability to undertake bulk orders
